Read the *INFACore Release Notes* to learn about known limitations and third-party limitations for INFACore.

Fixed issues

The following table describes the INFACore fixed issues. Not all monthly releases include fixed issues. The (<release>) value in each issue description represents the release in which the issue was fixed.

CR	Description
ICORE-1041	When you switch organizations, if the Secure Agent installation fails or the Secure Agent fails to start after the installation, the status displays incorrectly as "installing." (July 2023)

Informatica Global Customer Support

You can contact a Customer Support Center by telephone or online.

For online support, click **Submit Support Request** in Informatica Intelligent Cloud Services. You can also use Online Support to log a case. Online Support requires a login. You can request a login at https://network.informatica.com/welcome.

The telephone numbers for Informatica Global Customer Support are available from the Informatica web site at https://www.informatica.com/services-and-training/support-services/contact-us.html.
